

Dear Customer,

With the circumstances that we find ourselves in, we wish you well and hope you and your family stay healthy and safe.

At our end, we are constantly monitoring the unpredictable situation caused by the spread of Corona Virus (COVID-19) and are working on the best possible ways to continue fulfilling your transactional and service needs with AEON Credit Service India Pvt. Ltd.

Your health and safety are our concern as well. We recommend that you use our self-service options to the best and avoid having any face to face interactions for your service needs. For any service queries, we request you to write to us with our email: customercare@aeoncredit.co.in

We have temporarily and proactively closed our Customer Services branches to avoid spread of Corona Virus due to which responses may be delayed and option to call us is not available during this period.

We thank you for your continued trust in us.

Please stay safe and healthy.

Service Team
AEON Credit Service India Pvt. Ltd.
